# Helicopter Hog Hunt
## -Wichita, TX

**Hosted Hunting Trip With:** THE WILDLIFE CENTER AT LEGENDS RANCH

## *A priceless experience that makes a difference*

### *Invasive Feral Hogs in Texas*

Feral hogs are one of the most destructive species to the environment and landowners' property.

**Facts from Texas Parks & Wildlife Department**

- One feral hog causes an annual $300 in property damages.
- The annual loss to agriculture in Texas is approximately $118.8 million.
- Increased soil erosion from overgrazing.
- Destruction of ecosystems.
- Capable of carrying and transmitting at least 30 bacterial, fungal, and viral diseases which threaten humans, livestock, and wildlife.

## *Trip Details*

**March 26th through April 1st, 2023.**

This is a 3-person hunt located out of Wichita, Texas. Room, board, and transportation are not included. Take off in a helicopter with ARs and Shotguns with mounted HD cameras to capture it all. Two shooters at a time; the third hunter will alternate. Hunters will have unlimited ammo included. In a donated 4-hour flight 100 pigs and 40 coyotes are typically hunted.

**Value: $4,500 per person, $13,500 total**
